

Lake Ridge Academy Transportation

Did you know that each year: 25 out of 50 million American children ride school buses to and from school each day? According to the National Research Council, national safety records show that there are only 5 school bus passenger fatalities and 15 pedestrian fatalities at bus stops annually. In comparison, the 25 million children who use various other means to get to and from school, national safety records show that there are 448 fatalities in passenger vehicles with a teenager driving, 169 fatalities in passenger vehicles with an adult driving, 131 fatalities as pedestrians, and 46 fatalities as bicyclists.

Enjoy the benefits of professional private transportation in a safe well maintained bus. All Lake Ridge Academy drivers have received State of Ohio and FBI background checks and have attended professional driving classes. Our drivers also exceed the state requirements in additional yearly training.

Sign up now for transportation for 2023-2024 and assure your child's seat on the bus. Seating is limited. Multi-student discounts apply for two or more students. **Please let us know if you would like transportation by July 17, 2023.**
